

CERTIFIED LEATHER PROGRAM

The Mitsubishi Motors North America, Inc. (MMNA) Certified Leather Program provides Mitsubishi Dealerships with an approved source for original equipment quality leather trim interiors and professional installation. It is the only leather program supported by MMNA's factory warranty coverage, certified for use on all Mitsubishi Motors vehicles, and residualized through Mitsubishi Motors Credit of America (MMCA).

INDUSTRY LEADER

MMNA has partnered with Roadwire to be the exclusive provider of leather trim interiors for the Certified Leather Program. Manufacturing quality leather products since 1969, this company pioneered the automotive aftermarket leather interior industry in the early 1980's. Since then, Roadwire has become one of the world's leading aftermarket providers of leather trimmed interiors and is recognized continuously as innovators in design and craftsmanship within the industry.

QUALITY LEATHER TRIM INTERIORS

We are pleased to offer a variety of patterns and the most desired styles and colors available in the industry today. Long lasting beauty is inherent in each interior, because only the finest automotive grade leather available is used. Leather inspectors hand select each hide for consistency in appearance and grain texture. The leather is soft and luxurious due to stringent quality control standards followed in the inspection of each individual leather hide. Highly skilled craftsmen, using precision equipment and the finest materials available in the industry today, build durability into every interior through masterful sewing and ISO certified manufacturing processes. Extensive quality control inspections are performed on every leather trim interior, in adherence to MMNA's strict quality standards. Certified and approved for advanced airbag technology compliance, each leather trim interior is manufactured with safety and occupant protection in mind.

EXCEPTIONAL WARRANTY

We warrant the Certified Leather Program trim interiors installed in Mitsubishi vehicles for the length of the Mitsubishi New Vehicle Limited Warranty of 5 years or 60,000 miles from the date of original retail delivery or original use, whichever occurs first. During this term, Mitsubishi shall replace or repair any Certified Leather Program trim interior product installed on a Mitsubishi vehicle which proves to be defective in material or workmanship.

Please see the Certified Leather Program Consumer Warranty Card for complete details.
